WHAT WOULD THEY HAVE ME LEAVE OUT?"**

BUDGET

HOUSE REPUBLICANS

REP. JASON SMITH, REPUBLICAN LEADER

When asked to defend a massive spending agenda, President Biden said:

“What would they have me cut? What would they have me leave out?”

We are glad you asked, Mr. President.

Lights, Camera, Inflation

Hamilton County, Tennessee is spending \$2 million from the so-called American Rescue Plan [“to assist with renovation and restoration of the Tivoli Theatre”](#) in Chattanooga.

Perhaps Democrats that are out to lunch on America’s economy will stop by and catch a matinee. That is, if they can afford the tickets and popcorn. The American Rescue plan has fueled the worst inflation crisis in 40 years with prices now up 13.8 percent since Joe Biden took office.

Unfortunately, the sequel to the “Rescue Plan” horror may be even worse. With the nation on the brink of a recession, Washington Democrats are actually trying to [revive the production of their Build Back Broke agenda to raise taxes on small businesses and families by \\$1 trillion.](#)

They need to bring the curtain down on this reckless agenda.

Stay tuned for more.
