HOUSE REPUBLICANS

REP. JASON SMITH, REPUBLICAN LEADER

**When asked to defend a massive spending agenda, President Biden said:**

***“What would they have me cut? What would they have me leave out?”***

**We are glad you asked, Mr. President.**

### **The Trash**

Portland, Oregon is spending nearly \$1.2 million from the American Rescue Plan [on trash cans](#) – the sort of waste of federal tax dollars that might literally stink to high heaven.

The \$2 trillion “Rescue Plan” was full of garbage – paying people \$400 billion to not work, spending trillions that ignited inflation, and a catalog of [numerous examples of wasteful spending](#).

On the other hand, now there will be more trash cans to throw the Democrats’ [new reckless tax and spending reconciliation bill](#) into. By the way, that bill – their so-called attempt at combating inflation – includes \$1 billion for “clean” heavy-duty vehicles...like garbage trucks.

Stay tuned for more.
